Elder Moses Farrar to Launch Online/ Mail Newsletter

WELCOME ONE AND ALL to the announcement of ***THE VOICE OF THE PROPHETS*** Newsletter. Elder Moses Farrar, author of ten paperback books, has been inspired by the suggestion of a Hebrew Israelite friend and senior, Lady Chaya Reid, of Philadelphia. It was she who said to him in a recent telephone conversation (after having read his books), the following: "Hebrew Israelite periodicals are few and far between; I really think that you should start a newspaper for the Hebrew Israelite community and for all others who would like to embrace more of your writings. I have been so inspired by your books, written from Scriptural and historical perspectives."

Elder Farrar says that every time he thinks he's through writing and will devote the rest of his days promoting his existing works, either he or someone else comes up with an inspired idea. (He loves it!) "When I consider the condition of our race of people globally – and more especially those in the Diaspora here in the western hemisphere" – Farrar says, "I find it very difficult to withhold the spoken and written word of The Most High from *the dry bones of the whole House of Israel*." (Read Ezekiel 37:1-14, especially verse 11.)

It is hoped that you will find this Newsletter inspirationally uplifting and enlightening, as each edition engages in many of those eternal truths taught by the Prophets of the Hebrew Scriptures.
